13.—(1) Any sum which may be owing to a municipality in respect of an advance of seed grain under the provisions of this Act shall, upon notice of the lien being filed with the Registrar of Land Titles, be a charge upon the land of the recipient within the land registration district of such Registrar.

(2) Such charge shall have precedence over all other incumbrances against the land except taxes and sums which may by law be charged against the land in the same manner as taxes and any mortgage which is a first registered incumbrance against the land at the time the said notice is filed by the municipality, or which, being registered at that time, subsequently becomes a first registered incumbrance by the discharge of previous incumbrances, and except sums remaining unpaid in respect of advances previously made under any statute providing for seed grain advances.

14.—(1) The secretary-treasurer shall enter up, in a list to be kept by him for the purpose, all seed grain advances as they are from time to time made, together with the names of the applicants and the lands upon which, according to the application, such seed grain was to be sown, the promissory notes and seed grain liens taken therefor, and all payments made thereon.

(2) No application for seed grain by a tenant or occupant who is not the owner of the land or a purchaser under an agreement of sale shall be granted unless the application is approved in writing by the registered owner of the land.

(3) Where application is made in respect of land the title to which is in the Crown in the right of the Province, the municipality may with the consent of the Minister of Lands and Mines make an advance of seed grain to an occupant of such land, and the amount advanced shall be a first charge against the interest of the applicant in such land.

15.—(1) Any person who with intent to defraud obtains seed grain from a municipality under the provisions of this Act, or disposes of seed grain so obtained for any purpose other than seeding purposes as specified in his application, without the consent of the municipality or its duly authorized agent, shall be guilty of an offence and liable upon summary conviction to a penalty not exceeding one hundred dollars, and in default of payment thereof to imprisonment for a term not exceeding three months.

(2) No prosecution under this section shall be instituted or carried on save upon the information of some person duly authorized in the case of a municipal district, by resolution of the council, to lay such information, or in the case of an improvement district, by the Minister.

17. Each municipality advancing seed grain under the authority of this Act shall on or before the first day of August, 1931, cause to be prepared and forwarded to the Minister a return showing the names of all persons to whom the advances have been made and the amounts thereof.
