Motions Other Than Government Motions

519. Mr. Dach to propose the following motion:

Be it resolved that the Legislative Assembly recognize the need for reliable Government project funding to build a modern, effective, and well-planned public transit network that includes complementary and collaborative municipal, regional, and intercity components to meet the critical and essential public transit needs of the province.

520. Mr. Boitchenko to propose the following motion:

Be it resolved that the Legislative Assembly urge the federal government to recognize the Government of Alberta's

(a) role as a reliable and responsible energy supplier, and

(b) efforts to

(i) become a global commercial energy hub for natural gas transportation and liquid extraction, and

(ii) bring Alberta energy products to international markets based on the demand for ethically sourced oil and gas and worldwide energy security.

521. Hon. Ms Hoffman to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to expand women's healthcare services in Alberta by

(a) ensuring that the full range of women's reproductive health services are publicly available in all regional hospitals, and

(b) providing female contraceptive products free of charge.

522. Ms Chapman to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to take the necessary steps to address overcrowded classrooms by hiring additional teaching staff to ensure that all Alberta classrooms meet the recommended class size based on grade level for Kindergarten to Grade 12, as set out in the 2003 Alberta's Commission on Learning Report "Every Child Learns, Every Child Succeeds."

523. Hon. Mr. Schmidt to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to

- (a) affirm the fundamental importance of the "polluter pays" principle that the costs of well cleanup and remediation should be borne by the entities responsible for their operation,
- (b) ensure that no public funds are allocated to entities for the purpose of cleaning up or remediating liabilities, and
- (c) strengthen existing regulations and enforcement mechanisms to protect current and future taxpayers by holding responsible parties that are accountable.

524. Ms Wright to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) recognize that wages for teachers, registered nurses, educational assistants and other public sector workers have not kept pace with the rapid increase in the cost of living over the last four years, and
- (b) urge the Government to consider cost-of-living increases when bargaining with public sector workers for future compensation agreements to ensure that these workers are fairly compensated.

525. Ms Lovely to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) recognize that residents of rural communities and farm owners in Alberta face unique challenges related to crime, including property theft, vandalism and personal safety, and
- (b) urge the Government of Canada to introduce legislation to provide more legal certainty for individuals who are required to use force to defend themselves, their families and their property.

528. MLA Tejada to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to immediately engage with the Government of Canada to consider the following:

- (a) providing additional funding to address the increased cost of delivering the following public services as a result of Alberta's growing population:
 - (i) health care,
 - (ii) Early Childhood Services (ECS) until Grade 12,
 - (iii) post-secondary education,
 - (iv) emergency services, and
 - (v) newcomer support services;
- (b) entering into a federal-Alberta partnership to streamline the coordination of settlement and integration services for newcomers.

529. Hon. MLA Ceci to propose the following motion:

Be it resolved that the Legislative Assembly urge the Government to consider taking the necessary steps to ensure that arts education and arts-based learning opportunities, including music, theatre, and art lessons, are accessible to Alberta families through school and community-based opportunities by eliminating financial barriers to participation in arts programming, including ensuring that the funding parameters of the Every Kid Can Play Program grant explicitly includes art-related activities.

530. MLA Hoyle to propose the following motion:

Be it resolved that the Legislative Assembly

- (a) acknowledge the importance of access to a nearby hospital for the residents of south Edmonton, and
- (b) urge the Government to consider taking the necessary steps to build a new hospital in south Edmonton.
